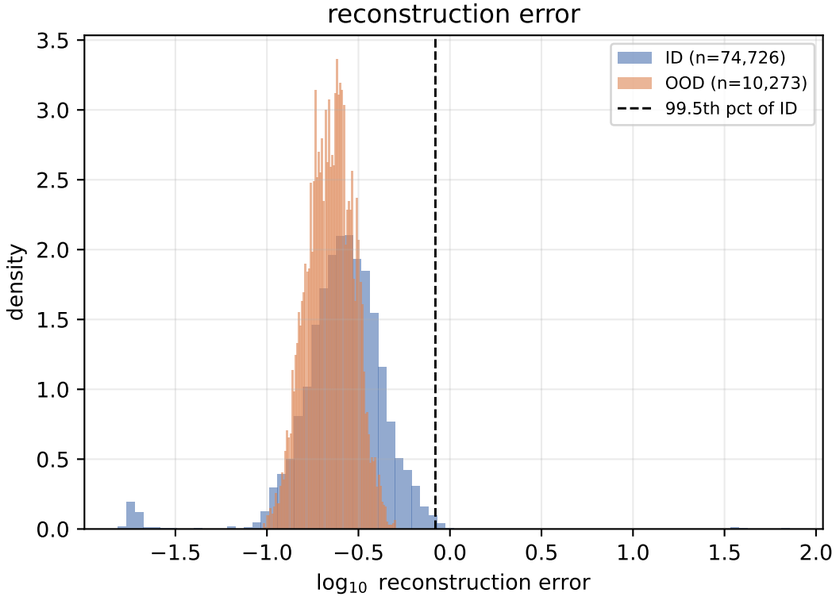
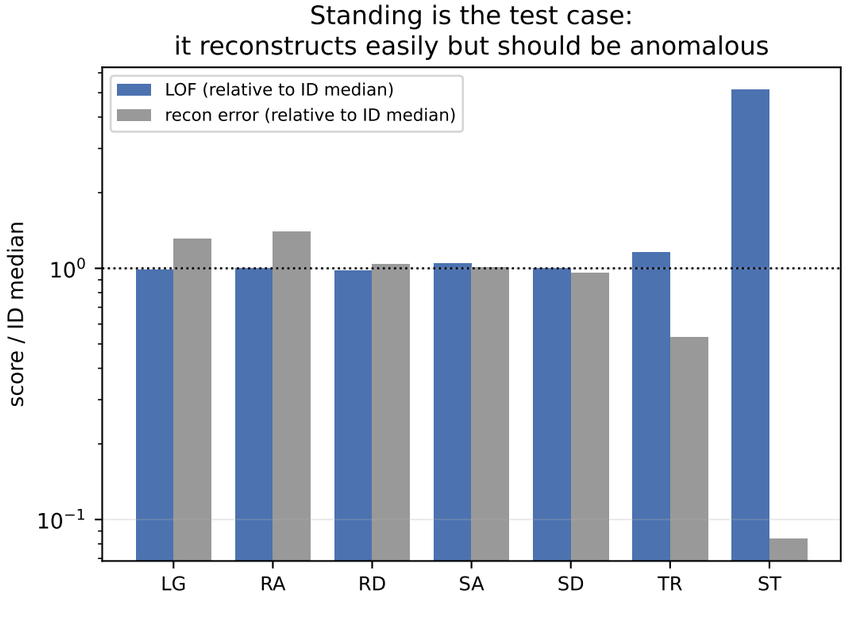
LOF on latent space
ID (n=74,726)
OOD (n=10,273)
99.5th pct of ID
density
log10 LOF on latent space



reconstruction error
ID (n=74,726)
OOD (n=10,273)
99.5th pct of ID
density
log10 reconstruction error



Standing is the test case:
it reconstructs easily but should be anomalous
